INTRODUCTION

The syllabus of the discipline "History and Culture of Ukraine" is compiled in accordance with the educational professional program (hereinafter - EPP) " General Medicine" and the Standard of Higher Education of Ukraine (hereinafter - the Standard), the second (master's) level, field of knowledge 22 "Health care", specialization 222 "General Medicine"

Course description. The integrated course "History and Culture of Ukraine" consists of 2 components - historical and cultural. The first, historical, studies the development of human society from the appearance of the first man to the present day on the basis of historical sources. The second is cultural, which studies the culture of Ukraine in its diversity over the same period.

The subject of study of the discipline is the historical and cultural development of society in modern Ukraine since the appearance of the first man there about 1 million years ago.

Interdisciplinary connections. The study of the discipline is associated with the mastery of disciplines taught in the I-VI years: "History of the modern world", "Philosophy", " Study of Culture", "Ethnography", "Political Science", "Medical Studies", "Ethics", "Religious Studies", "Medical Kharkiv in Personalities", "History of Health Care in Kharkiv", "Medicine and Politics". "History and Culture of Ukraine" is objectively integrated with the disciplines "Medicine and Art Culture", "Medical Subculture", "Fundamentals of Christian Ethics and Morality", "Fundamentals of Economic Theories" and others.

Prerequisites. The study of the discipline involves the prior mastering of school subjects in the history of Ukraine, which give a basic idea of education. In the case of international students, no prior training is required, the problem is solved through multilevel education.

Postrequisites. "History and Culture of Ukraine" is objectively integrated with disciplines that provide further training of medical students: "History of the Modern World", "Philosophy", " Study of Culture", "Ethnography", "Political Science", "Medical Local Lore", "Ethics", "Religious Studies", "Medical Kharkiv in Personalities", "History of Health Care in Kharkiv", "Medicine and Politics". "History and Culture of Ukraine" is objectively integrated with the disciplines "Medicine and Art Culture", "Medical Subculture", "Fundamentals of Christian Ethics and Morality", "Fundamentals of Economic Theories".
